From late afternoon to evening: free social event and dinner

27th September

Morning : GP practices visit in Bari/Lecce or free time

Afternoon: GP practices visit in Bari/Lecce or free time

In the late afternoon: participants in Bari will re-group and travel to Lecce

Evening: social event (optional, more details later)

28th September

Morning & afternoon: participants are going to join different workshops (in English) where they will be mixed with Italian GP trainees and young GPs to broaden their view on family medicine challenges around Europe (no material or preparation is needed).

Evening: social event (optional, more details later)

29-30th September

Participants will attend the Coordinamento Wonca Italia International Conference (check the program at the following link <http://www.coordinamentowoncaitalia.it/international-conference/>). For the Italian sessions a free English translation service is provided.

Social events will be organised during the evenings, participation is optional.

What is included:

The social event and the dinner of the 26th night

We will provide transportation inside the city of Bari and Lecce and to the practices where you have the rotation.

Registration to the workshops and the Conference

What is not included:

Accommodation and transportation are not provided. However, if agreed by participants, we can arrange for an affordable Airbnb to share, in the neighborhood of Bari/Lecce.

Candidates have to be a GP trainee or junior GP (within 5 years of training completion).

To apply for this Conference Exchange please send your CV and Motivation Letter to your National Exchange Coordinator **before the deadline of 16th August 2017**.

Selected participants will be announced around 20th August.

We are looking forward to meeting you all in Italy for our amazing Conference Exchange!!
