Since January 2014 we started selecting regional coordinators for the 8 regions of the country, to try and engage colleagues more on a local/regional level rather than national. 10 coordinators in 2015, young GP group sessions at conferences. Young GPs seem to be slowly increasing in numbers as participants to these events. 1<sup>st</sup> Conference Exchange for VdGM members organised in 2015 by a local HOC of 4 young GPs and with the full support of the local GP association and national GP society.**
8. Do you receive financial support from your country's GP organization? **Yes, some expenses are covered.**
